10. Mandatory Medical Insurance Policy

International students are required to register for a medical insurance program designated by PNU against injuries or sickness, or submit proof of individual insurance coverage with a minimum compensation limit of USD \$100,000.

Uninsured applicants cannot move into an assigned dormitory room, and course registration may be canceled.

11. Visa Procedures & Post-Admission Announcements

Successful applicants must acquire a Certificate of Admission from the GSIS Office and change/apply for a Student Visa (D-2) at the Busan Immigration Office or the Korean Embassy/Consulate in their home country.

Successful applicants must check the "Guidelines for Successful Applicants" on the PNU Admissions homepage (<http://go.pusan.ac.kr>) or GSIS homepage(<https://gsis.pusan.ac.kr/>) after the announcement to be informed about visas, dormitories, insurance, airport pickup, course registration, or tuition fee payment.

12. General Provisions & Refund Policy

All applicants must comply if additional documents are requested for evaluation purposes.

Once the online application is completed, it cannot be canceled, and the selected major cannot be canceled or changed.

As GSIS primarily operates daytime classes, applicants are advised to check class schedules and other relevant details prior to applying.

Applicants who fail to submit required documents or who miss the interview evaluation will be disqualified. Application fees and submitted documents will not be returned, and admission evaluation scores will not be disclosed.

Applicants must accurately state their telephone numbers for prompt contact during the admission period. Any changes must be reported immediately to the GSIS Administrative Office (☎ +82-51-510-1663, 1116).

Applicants with degrees from foreign universities must actively cooperate if requested to assist with educational background verification; failure of an institution to respond to degree verification requests may result in the cancellation of admission.

Prospective graduates who are admitted but fail to obtain their degree must notify the GSIS Administrative Office immediately upon becoming aware of the fact.

All submitted documents shall not be returned under any circumstances, whether or not the application is successful.

Cancellation of registration and refund of tuition fees shall be handled according to the university's policies and regulations on tuition payment.

All other issues not clearly indicated in these guidelines shall be handled according to the university's admissions procedures and regulations.

※ Matters not specified in these guidelines shall be subject to the decision of the GSIS Steering Committee.
